

The Revolve Tour: All Access

Have you ever felt you were on the outside looking in? Wishing you could have an All Access pass and see what's going on behind the scenes? Wondering what others 'get' that you're missing?

When it comes to a relationship with God, you have **All Access**. All Access is a Friday night – Saturday event designed for 9th through 12th grade girls. *Fishers of Men is taking a group of high school girls to the All Access event in Houston at the Toyota Center on February 13-14, 2009*

And at the Revolve All Access event, you're welcome to just come as you are and be ready for an experience you will never forget. You'll get a glimpse of what it's like to have All Access to the love of God.

All Access uses music, drama, personal stories, videos and other creative avenues to address issues relevant to teenage girls today, including relationships with friends and family, body image and self esteem, relationships with guys, and faith in God.

I've included a flier from the event's website. If you would like to go to this awesome event, fill out the form below and include a check for \$50. We will not be staying at the hotel on Friday night after the event, but instead will meet at church on Saturday morning to carpool back up to the Toyota Center. This will cut down on costs. Please sign-up no later than November 2, 2008!

If you have any questions, don't hesitate to call me at 281-242-7711 or email me at brett@fishersofmen.org.
